X

Ari Delay: Fire Chief

X

Scott Rogge: Police

X

Council Liaison

Michael Salazar

X

2. REVIEW OF AGENDA

Agenda was reviewed and approved.

3. APPROVAL OF MINUTES

Reviewed Meeting Minutes. Item 6 had a grammar error. Minutes were then approved as amended.

4. UNFINISHED BUSINESS

- The FEMA videos we selected last meeting were sent to CityNet Services to be shown on Channel 1.
- Malcolm contacted the Daily Journal to ask about putting SMC Alert information in the paper but was told it would cost between

- Calendar: Today is the Great Shake Out Day, in observance of the Loma Prieta earthquake at 5:30 pm in 1989. No upcoming events are scheduled.

5. **STAFF REPORTS**

Fire – This is Fire Prevention week. The theme is “Safety in the Kitchen” and videos of this are being shown randomly on San Bruno Channel 1. There are no fire posters from the grade schools this year because of the pandemic. The CCC is still working in Crestmoor Canyon and has finished 2 out of 5 spikes. The Strike Teams have returned after a long stretch of work with CalFire.

Police – Stealing packages and car break-ins are still a problem as well as dealing with homeless. On a happier note, a homeless man found a stolen purse and attache case in a dumpster and was able to get the ID of the victim who had the items returned to her. She had left her items in the car while making a stop at a store. Officer Rogge reminded us that this is not a good idea and also to put your items in the trunk before leaving home, not in the parking lot where you might be observed. Holidays are approaching and can be a very stressful time resulting in more mental health problems. San Mateo County has a pilot program which has 'smart paramedics' going on calls with PD. They can help with mental issues.

SBPD are wearing body cams for protection of both officers and citizens alike. The Special Olympics are coming soon.

6. **COMMITTEE REPORTS**

Radio Club – The Radio Club has a new member in San Bruno checking into the weekly net.

Red Cross – Doug has been deployed various places because of the fires. The RC is working with other organizations to help the victims, such as the United Farmworkers Union who had need of some supplies. The farmworkers have been busy harvesting crops even in the poor air quality. Fire kits have been given out to victims needing to sift through the remains of their homes, looking for personal items. The Red Cross is looking for volunteers. Go to RedCross.org to learn how to help.

OES – N

CERT – The usual type of CERT class is changing. Half Moon Bay is trying out a virtual CERT all done online. San Bruno could do that as well but

needs a place to conduct the last hands-on class which must use masks, social distancing and have rest rooms nearby etc. Perhaps a school such as Parkside since classes are not in session.

7. **NEW BUSINESS**

Suggestion was made last meeting to move public comments section up to top of Agenda, such as 3.5. Moved, seconded and passed. Our newest member, Zidane Mili was introduced and welcomed to the Committee. George and Malcolm have been sworn-in for another term.

8. **AGENDA BUILDING**

Gage will try to find out when the FEMA videos might be seen on CH 1. Also find out if the Committee needs any city permission for agenda change.

9. **PUBLIC COMMENTS FOR ITEMS NOT ON THE AGENDA**

None

10. **ADJOURNMENT**

The meeting was adjourned at 7:23 pm
